

# Virtual Simulation Days

September 23-24, 2021

You're invited to join the Clinical Simulation Program (CSP) for "Simulation Days", which will be hosted in a virtual platform. Please select hyperlink in dates for accessing content via WebEx.

## Thursday, September 23

Meeting Number: 120 890 6786  
Meeting Password: nxTxqgpe382  
(69897473 from phones and video systems)

### Directors' Address and Simulation Awards

The CSP recognizes our valued partnerships within the UW Health community by presenting Simulation Awards each year. Dr. Ryan Thompson and Shannon DiMarco will kick-off the presentation with opening remarks. Please join us as we celebrate achievements in simulation over this past year!

Ryan Thompson, MD, CHSE  
Medical Director  
Simulation Program

Shannon DiMarco,  
MSHS, CHSOS  
Administrative Director  
Simulation Program

## Friday, September 24

Meeting Number: 120 172 9553  
Meeting Password: XTpuPjSR746 (98787577 from phones and video systems)

### Keynote: "Simulation to Address Systemic Racism"

The CSP is proud to welcome Dr. Samreen Vora and Brittany Dahlen from Children's® Minnesota, who will be presenting on using simulation to address structural racism and implicit bias.

Samreen Vora, MD  
Medical Director  
Simulation Center,  
Children's Minnesota

Brittany Dahlen, MSN, RN,  
NPD-BC, CPN, CCRN-K  
Children's Minnesota
