Make Music and Memories with the Medical Sciences Orchestra

The Medical Sciences Orchestra welcomes learners, faculty, staff, and alumni from SMPH to join the group! The Orchestra rehearses weekly on Sunday afternoons at the Hamel Music Center and performs two concerts a year. The orchestra provides opportunities for creativity, wellness, and a sense of belonging. Membership in the Orchestra is not audition based, but auditions may be used to determine seating levels as well as if there are a limited number of spots for a particular instrument.

For More Information & to Sign-up Use the QR Code – The Sign-Up Deadline is September 10th!
